

## No Added Fragrance Moisturizing Stick

A unique, solid stick moisturizer formulated with organic herbs and essential oils designed to hydrate skin and minimize the appearance of fine lines and wrinkles.

### Benefits

- May be used on hands, lips, and for all over body care
- Clean, non-messy application
- Non-comedogenic
- Nourishes, softens, and soothes dry skin

### Key Ingredients

**Safflower Oil** (*Carthamus Tinctorus*) has one of the highest linoleic acid contents of any of the known oils, consisting mostly of linoleic acid triglycerides.

**Avocado Oil** (*Persea Americana*) contains unsaponifiables (sterolins), which are beneficial in reducing the appearance of age spots and scars and moisturizing the upper layers of the skin. Contains more than 20% essential unsaturated fatty acids, vitamins A, C, D and E, proteins, beta-carotene, lecithin, fatty acids and potassium.

**Beeswax** (*Cera Flava*) contains free-radical scavenging properties and has skin soothing properties. Forms a network instead of a film, which is the case with petroleum. Allergic reactions to beeswax are very low.

### Who should use No Added Fragrance Stick Moisturizer?

Formulated for all skin types.

**Directions For Use:** Use a small amount over face, neck and body. Store away from direct sun light and high heat.

## No Added Fragrance Supreme Solution®

A concentrated moisturizer formulated without water. Blended with oils that contain nutritional essential fatty acids, amino acids and vitamins which have been shown to support natural skin cellular regeneration.

### Benefits

- Reduces the visual effects of aging on the skin's surface
- Replenishes sun-damaged skin
- Rapidly restores skin's moisture
- Nourishes skin with environmental damage
- Greatly reduces trans-epidermal water loss, creates optimal moisture and helps with sensitive and severely dry skin.

### Key Ingredients

**Pumpkin Seed Oil** (*Cucurbita Pepo*) is one of the most nutritional oils available and an excellent source of essential fatty acids, antioxidants, vitamins and sterols. Especially high in vitamins E, A, C and zinc.

**Rice Bran Oil** (*Oryza Sativa*) is high in fatty acids and rich in unsaponifiables, Rice Bran Oil has antioxidant properties. Excellent for use with mature, delicate or sensitive skin.

**Meadowfoam Seed Oil** (*Limnanthes Alba*) is recognized for its outstanding oxidative stability and contains over 98% long-chain fatty acids. Widely used in cosmetics and hair care applications because of its stability, lubricity and ability to adhere to and stay on the skin. Moisturizes and rejuvenates the skin and adds shine to the hair. Provides protection for skin and hair.

### Who should use No Added Fragrance Supreme Solution?

Formulated for all skin types.

**Directions For Use:** Use a pea size amount and allow to absorb fully into the skin. Re-apply as needed. Store away from direct sun light or high heat.

## No Added Fragrance Deodorant

A daytime deodorant formulated for men, women and teens. Helps reduce perspiration odor and bacteria on the skin's surface.

### Benefits

- Provides lasting protection
- Goes on clear, smooth and easy
- Won't clog sweat ducts
- Reduces odor-causing bacteria on the skin
- Excellent for chemically sensitive skin

### Key Ingredients

**Olive oil** (*Olea Europea*) contains protein, minerals and vitamins, superior penetrating power.

**Arrowroot** (*Maranta Arundinacea*) is used to absorb moisture.

**Rice Starch** (*Oryza sativa*) is a demulcent and emollient. Rice starch provides soothing protection when applied to the skin. It is known to help replenish damaged skin. It does not cause the skin to dry out.

**Shea Butter** (*Butyrospermum Parkii*) contains high content of unsaponifiables (steric and oleic acids) and cinnamic esters known to have moisturizing properties. Protects skin from the effects of dehydration and other climate changes.

### Who should use No Added Fragrance Deodorant?

Formulated for all skin types.

**Directions For Use:** Use on dry, clean under arms. We advise 2-3 swipes per underarm per application. We recommend not using any other products under the arm like lotions, oils and commercial antiperspirants or perfumes when using No Added Fragrance Deodorant. Store away from direct sunlight or high heat.

## No Added Fragrance Goat's Milk Soap

A gentle non-irritating Nubian Goat's Milk soap with skin beneficial nutrients which leaves skin looking younger and healthier.

### Benefits

- Total skin care including facial cleansing
- Alpha-hydroxyl acids naturally help neutralize free radicals
- Contains peptides that support natural collagen production which leave skin looking firmer, while minimizing the appearance of fine lines and wrinkles

### Key ingredients

**Whole Nubian Goat's Milk** is uniquely different from cow's milk in the concentration and form of its nutrients. It contains 13% more calcium, 25% more vitamin B6, 47% more vitamin A, 134% more potassium and 350% more niacin. Penetrates the skin and helps cleanse pores and hair follicles. It is made up of the essential fatty acids linoleic and arachnoidic acids and a higher proportion of short chain and medium chain fatty acids than cow's milk.

**Rosemary** (*Rosmarinus officinalis*) is used for its antimicrobial properties.

**Sweet Almond Oil** (*Prunus Amygdalus Dulcis*) contains glycosides, minerals and vitamins rich in protein. Compatible with all skin types.

### Who should use No Added Fragrance soap?

Formulated for all skin types.

**Directions For use:** Rinse face with warm water. Lather well and rinse thoroughly. To remove make-up repeat application with a wash cloth.

## No Added Fragrance Line

Our No Added Fragrance line was designed for individuals who have sensitive skin resulting from the overuse of chemically laden products and for those who experience olfactory sensitivities as a result of overexposure to synthetic chemical fragrances.

Our skin care system is a balanced diet for the skin, formulated to cleanse, hydrate, protect and replenish.

We use wholesome ingredients that work without the use of harsh chemicals, artificial color or fragrances. Naturally derived products provide long-lasting results; they contain ingredients the body recognizes.

Daily use of No Added Fragrance soap, moisturizer, Supreme Solution® and deodorant helps keep skin clear and in balance, protecting the levels of moisture and hydration so skin remains healthy and radiant.

### No Added Fragrance Benefits

- cleanses skin without stripping away moisture
- helps restore skin's natural PH
- hypo-allergenic
- provides protective barrier from trans-epidermal water loss

**Chart Showing Recommended Solutions for Specific Problem Areas**

Area	Problem	Body Bar	Stick Moisturizer	Supreme Solution	Daytime Deodorant
